

Cambria Celebrates Its Continued Expansion In Texas With Official Grand Opening Of First Houston Hotel

Event Marked with \$7,000 Donation to Kinder High School for the Performing and Visual Arts

ROCKVILLE, Md., Sept. 27, 2019 /PRNewswire/ -- [Cambria Hotels](#) marked its official arrival to Texas' largest city with the grand opening of the [Cambria Hotel Houston Downtown Convention Center](#). Representatives from the upscale brand's franchisor [Choice Hotels International, Inc.](#) (NYSE: CHH), along with local dignitaries, were present to commemorate the occasion.

Inspiration for the 21-story, 226-room hotel -- an adaptive reuse of the iconic Great Southwest Building, originally known as the Petroleum Building -- and the grand opening event was drawn from Houston's unique history and rich culture. Following a ribbon cutting ceremony, guests were invited to tour the hotel and take note of the property's Art Deco details, including stone carvings from the original 1920s building; custom artwork highlighting the city's oil industry roots, storied cowboy culture and NASA influence; and sophisticated, modern furnishings.

Speakers at the event included Executive Director of Preservation Houston David Bush and Choice Hotels Senior Vice President of Upscale Brands Janis Cannon, along with Chief Operating Officer of Concord Hotels Nick Kellock, who all expressed excitement for Houston's first Cambria hotel. Additionally, a \$7,000 check was presented by Cambria to Kinder High School for the Performing and Visual Arts, which provides highly specialized and rigorous training in creative writing, dance, music, theatre, and visual arts, to Houston students.

"The grand opening of the Cambria Hotel Houston Downtown Convention Center is a proud moment for us, as it marks an exciting new chapter for the Great Southwest Building and introduces guests to little luxuries only Cambria offers to make every stay feel indulgent," said Cannon. "The Cambria brand is known for helping modern travelers maximize their time by reflecting the essence of each destination, and Houston's first Cambria is a gleaming example of this. Whether guests are visiting for business or leisure, we know the property's uniquely-Houston touches and thoughtfully curated guilt-free indulgences and will capture travelers' sense of wonder and adventure."
