SILVER SPRING, Md.

Choice Hotels International, Inc. announced today the return of its most compelling promotion ever, where Choice Privileges(R) rewards program members can earn a free night at over 1,000 hotels with just two separate stays.

"With the fall travel season fast approaching, we're excited to be able to thank our guests by offering such a great value as the 'Stay 2 times. Earn a free night at over 1,000 hotels' promotion," said Bill Carlson, senior vice president, marketing for Choice Hotels. "And with the Choice Privileges rewards program growing rapidly towards its 6-millionth member, it's even more reason to celebrate with a special offer."

When guests stay just two separate times at participating Choice brand hotels in the U.S., Canada, Ireland, Mexico and the Caribbean, they will earn enough Choice Privileges rewards points for a free night on a future stay at over 1,000 hotels. A qualifying stay can be any length of time but guests should remember that consecutive nights at one hotel, regardless of check-ins or check-outs, count as one stay. There is no limit on how many times guests receive the bonus during the promotion period. The promotion starts September 1 and runs until November 30, 2007 and includes eight Choice Hotels brands- Comfort Inn, Comfort Suites, Quality, Sleep Inn, Clarion, Cambria Suites, MainStay Suites and Suburban Extended Stay Hotel.

Consumers can watch for more information on new upcoming television, print and online commercials starting in late August. Current Choice Privileges members, corporate accounts and other market segments will receive e-mails and newsletters highlighting the "Stay 2 times. Earn a free night at over 1,000 hotels" promotion.
