

Comfort On Pace To Open More Than One Hotel Per Week In 2019

Latest Hotel Opens its Doors Near Columbus, Ohio

ROCKVILLE, Md., July 31, 2019 /PRNewswire/ -- The Comfort hotels brand, franchised by Choice Hotels International, Inc. (NYSE: CHH), welcomed a new Comfort Suites just outside of Columbus, Ohio, as it announced that the brand is on pace to open more than one hotel per week this year.

The newly constructed, four-story, 84-room Comfort Suites Marysville Columbus – Northwest is the latest to open as part of the brand's multi-year transformation, featuring rooms and public spaces with a modern design, as well as the new Comfort logo. The Comfort brand has more than 300 properties in its pipeline, 80 percent of which are new construction. More than 40 Comfort hotels are expected to open this year in major cities, like Dallas; Nashville, Tenn.; Pittsburgh; San Antonio; and San Diego.

"With Comfort's new look and feel, Comfort Suites makes all guests feel welcome — no matter what brings them to Marysville," said Megan Brumagim, vice president, brand management, design and compliance, Choice Hotels. "The Comfort brand has never looked better and this property represents the best the brand has to offer. Business and leisure travelers visiting this hotel can depend on Comfort's proven reliability, value and convenience — everything they need for a refreshing stay."

Situated at 1081 Lydia Dr., the Comfort Suites Marysville Columbus – Northwest is located minutes from the corporate headquarters of The Scotts Miracle-Gro Company and just off the "33 Smart Mobility Corridor" — a 35-mile stretch of highway known for having the largest concentration of manufacturers, research & development firms and logistics companies in the state. The hotel is in the center of the corridor's "automotive cluster," where over 65 automotive companies — among the region's largest employers — have manufacturing plants, offices, and testing engineering facilities. The Comfort hotel also offers easy access to Ohio University at Dublin, hundreds of acres of parks and several golf courses.

"Comfort's strong openings pace reflects the steady developer demand reinforcing the brand's leadership in the upper midscale segment," said Brian Quinn, head of development, new construction brands, Choice Hotels. "The ever-increasing number of updated Comfort hotels and our new-construction pipeline will allow the Comfort brand to thrive for years to come."

The Comfort Suites Marysville Columbus – Northwest is designed to meet the needs of business and leisure guests with amenities that make for a warm and welcoming stay, including:

- Modern guestrooms with premium pillows, bedding and bath amenities
- Meeting space and catering service for up to 52 people
- Open lobbies with space to work and socialize
- Complimentary hearty and healthy breakfast, featuring the brand's signature waffles, eggs, breakfast meats, pastries, yogurt, and fresh coffees and teas
- Free Wi-Fi and business centers
- 24-hour fitness center
- 100% smoke-free facilities

The Comfort Suites Marysville Columbus – Northwest was developed by WB Services Construction, LLC, and represents the first Choice-branded hotel in their portfolio.

"Our Ohio roots run deep, and when the opportunity arose to develop a new hotel with great brand recognition in our home state, we had to act," said John Weaver, project manager, WB Services. "We tapped into Choice's decades of upper midscale leadership to bring this hotel to life and invest in our community."
