

Choice Hotels Rewards Business Travelers With New Cambria Perks

ROCKVILLE, Md., Aug. 1, 2019 /PRNewswire/ -- [Choice Privileges](#), the award-winning and free loyalty program from [Choice Hotels International, Inc.](#) (NYSE: CHH), announced a new slate of benefits tailored to business travelers staying at [Cambria Hotels](#). The announcement advances Choice Hotels' [focus on corporate travel](#), which will be [on full display](#) at this week's Global Business Travel Association (GBTA) Convention.

"Choice Privileges will soon offer business travelers at our upscale Cambria hotels even more rewards — and there's no better place than GBTA to make this exciting announcement," said Robert McDowell, chief commercial officer, Choice Hotels. "We're continuously evolving our loyalty program to deliver benefits that matter to members, who will now earn even more immediate benefits, credits and points when they choose Cambria for their next business trip."

Beginning Sept. 9, Choice Privileges members who book a qualifying Cambria hotel stay may earn three new benefits on top of their regular rewards:

- **Cambria credit:** Earn a \$10 credit with every qualifying stay to use at the Cambria marketplace or restaurant, where business travelers can enjoy menus featuring freshly prepared food, locally sourced craft beer, wine, specialty cocktails and small bites.
- **Double Your Extras rewards:** Each qualifying stay that includes at least one weeknight — any Sunday through Thursday night — comes with *double* the [Your Extras](#) rewards. Members can choose to earn twice the credit to spend at Starbucks, Amazon or Uber or select twice the Choice Privileges points or airline miles.
- **Diamond Elite Status Jump:** Business travelers who stay at the Cambria brand *just once* — and who participate in other hotel loyalty programs — are eligible to have their status upgraded to [Diamond Elite](#). In addition to coming with extra perks, including a 50% elite point bonus, complimentary room upgrades, and an elite welcome gift or bonus points at participating U.S. hotels, Diamond Elite status is another way Choice is recognizing corporate travelers for their business. Guests must have a qualifying stay on Sept. 9, 2019, or after to be eligible for Diamond Elite Status Jump (and must not have had their status previously upgraded).

"Cambria is among Choice's most popular brands for business travelers for good reason: we designed it specifically with them in mind," said Janis Cannon, senior vice president, upscale brands, Choice Hotels. "We're thrilled to offer a loyalty program that embodies the essence of the upscale Cambria brand, which helps guests make the most of their business travel. With new loyalty benefits, Cambria guests can indulge in even more of the 'little luxuries' that time-starved business travelers seek."

Choice Privileges has more than 40 million members and is growing every day.
