ROCKVILLE, Md., Dec. 18, 2019 /PRNewswire/ -- [Choice Hotels International, Inc.](#) (NYSE: CHH) has awarded franchise agreements to two top developers to build new Cambria hotels in Austin, Texas and Niagara Falls, New York. These franchise agreements come on the heels of Cambria being named one of the top hotel brands expanding in North America by *Top Hotel News*, with nearly 80 hotels in the pipeline.

"These agreements reinforce Choice Hotels' commitment to growing our upscale presence in high barrier-to-entry, top-tier markets with world-class developers," said Mark Shalala, vice president, franchise development, upscale brands, Choice Hotels. "Our robust development pipeline, including these two new agreements, is proof that developers appreciate Cambria's ability to offer a localized guest experience that truly sets us apart from our competition."

The Lone Star State is already home to six Cambria hotels and there are 10 more in the pipeline in top locations such as Dallas, downtown Austin, The Domain in Austin, Irving and Waco. For its part, New York City offers four open Cambria Hotels in the metropolitan area, while the Niagara Falls hotel will be the first upstate location.

- **Cambria Hotel Austin Airport:** Slated to open in 2021 and developed by W2 SF Airport Hospitality Business LP, an affiliate of W2 Real Estate Partners, the 127-room hotel will be situated at 7800 E. Ben White Blvd. near the Austin Bergstrom International Airport and just minutes from downtown Austin. The hotel's location will place it near "Silicon Hills," where many high-tech companies operate, including Apple, Google, Facebook, Dell, Oracle and Silicon Laboratories. Guests will also have access to the popular South by Southwest (SXSW) festival each year, a conglomerate of film, interactive media, music and conferences. Additional points of interest near the future hotel include the Circuit of the Americas raceway, the Austin360 Amphitheater, the University of Texas at Austin and the Texas State Capitol.
- **Cambria Hotel Niagara Falls:** The 120-room hotel is expected to open in 2022 at 311 Rainbow Blvd. in downtown Niagara Falls, just two blocks from the world-famous Niagara Falls State Park, which welcomes over 9 million visitors annually. Guests will be able to take advantage of popular tourist attractions like the Maid of the Mist boat tour or get closer to the Falls by descending into the Niagara Gorge at the Cave of the Winds. Future guests also will be able to visit the nearby Robert Moses Niagara Power Plant to see how the Falls serves as a hydroelectric power source. The hotel will be developed by Plati Niagara Inc., which also owns a Quality Inn in Niagara Falls.

Cambria hotels are designed for today's time-starved travelers looking for moments to connect to people and places through modern conveniences. The Austin and Niagara Falls hotels will feature the following upscale amenities:

- Freshly made food, local craft beer on tap, wine, specialty cocktails and small bites.
