

Choice Hotels Proposes a Full Slate of Independent, Highly Qualified Individuals for Election at the 2024 Annual Meeting of Wyndham Hotels & Resorts

Nominees Are Seasoned Leaders with Financial and Operational Experience Across Hospitality, Franchising and Other Relevant Industries

Wyndham Shareholders Deserve a Board Focused on Good Governance and Its Fiduciary Duty to Drive Shareholder Value

NORTH BETHESDA, Md., Jan. 22, 2024 /PRNewswire/ -- Choice Hotels International, Inc. (NYSE: CHH) ("Choice"), one of the world's most successful lodging franchisors, today announced that it has proposed eight independent, highly qualified individuals to stand for election at the 2024 Annual Shareholder Meeting of Wyndham Hotels & Resorts, Inc. (NYSE: WH) ("Wyndham").

Stewart W. Bainum, Chair of Choice's Board of Directors, said, "These nominees are proven leaders with wide-ranging expertise across relevant industries, including deep proficiency in the hospitality and franchising sectors. We are confident the nominees' industry, finance, governance and board experience will greatly benefit Wyndham shareholders. Most importantly, if elected, the nominees will exercise their independent judgment to serve Wyndham shareholders' best interests, which Choice believes is to move with urgency to maximize the value that could be created for them through a combination with Choice."

Patrick Pacious, President and Chief Executive Officer of Choice, said, "With this slate of independent, highly qualified candidates for election to the Wyndham Board, Wyndham shareholders will have an opportunity to be represented by a board that will fulfill its fiduciary duty to act in the shareholders' best interests and consider any and all paths to create value. Unfortunately, the current Wyndham Board continues to refuse to engage in meaningful negotiations regarding a combination with Choice that would create extraordinary value. By supporting these nominees and participating in our exchange offer, Wyndham shareholders can send a clear message to the Wyndham Board."

The nominees proposed by Choice understand the nuances of the franchising model and the increasing pressure franchisees face from rising operating costs, larger hotel chains and dominant online travel agencies – pressures that will only mount as the lodging sector becomes even more competitive with new brand entrants.
