

Everhome Suites Continues to Expand with Three New Locations Breaking Ground in Key Markets

Choice Hotels reinforces its leadership and first-mover advantage in extended stay with groundbreakings in Texas, Kansas, and Kentucky

NORTH BETHESDA, Md., Aug. 20, 2024 /PRNewswire/ -- Choice Hotels International, Inc. (NYSE: CHH), one of the world's largest lodging franchisors, continues to strengthen its leadership position in extended stay with three new Everhome Suites breaking ground in San Antonio, Texas; Bowling Green, Kentucky; and Wichita, Kansas. All three were developed in collaboration with [Highside Companies](#). These groundbreakings, along with eight others earlier this year, demonstrate Choice's first-mover advantage in the category, continuing to capitalize on extended stay demand which is currently double the supply. In total, Choice Hotels has four Everhome Suites open, 65 in the pipeline, over 20 under construction, and more than 15 expected to open within the next 12 months. As of the end of Q2 2024, Choice has nearly 400 hotels in the pipeline across four extended stay brands.

Choice continues to break ground and open Everhome Suites extended stay hotels across the country. The Everhome Suites San Antonio marks the sixth property under construction in Texas. This will be Choice's second Everhome Suites in Kentucky and the first in Kansas.
